EXPERIENCE

WordPress Developer

Current Working

Risalpur | Dera Korona

I am a WordPress Developer at Techfas, where I design, build, and manage responsive websites and online stores using WordPress, Elementor, WooCommerce, and Contact Form 7. I focus on creating user-friendly, high-performing sites that deliver a seamless experience across all devices.

Full-Stack Web Developer

2021 - 2025

Risalpur | Dera Korona

I'm a Full-Stack Web Developer at Techfas, building responsive, user-friendly web applications using React.js, Tailwind CSS, Node.js, Express, and MongoDB. I design modern front-end interfaces, develop secure back-end systems, manage databases, and deliver optimized full-stack solutions for a smooth user experience across all devices.

Data Entry

2019- 2021

Nowhsera | Amanger

I am a Data Entry Professional at Magastech Nowshera, ensuring accurate, efficient, and well-organized data management to support daily operations and maintain high-quality records.

Content Writing

2018- 2019

Beta Byte | Peshawar

I am a professional Content Writer at Techfas, responsible for developing clear, engaging, and SEO-friendly content that aligns with brand goals and effectively reaches our target audience. I focus on creating high-quality written materials that enhance the company's online presence and support marketing strategies.
